The Next Level

Want to be ready to hit the track with the optimum balance of precision and power? Phoenix Performance provides full conversion service, taking stock street cars to top-of-the-line race cars.

- Prepare your car for solo, club and track-day events.
- Achieve maximum performance for road racing.
- Take pride in driving the same cars our championship drivers do.

Your passion is our expertise — let Phoenix Performance deliver your dream car.

Champion Pedigree

Phoenix Performance is located 40 miles west of Philadelphia in Phoenixville, Pa. We campaign two Mustang BOSS 302Rs in the full 2014 IMSA Continental Tire Sports Car Challenge Series.

We've partnered with a variety of progressive companies — including Ford Racing, GM's performance division, Pontiac, Cadillac and iRacing.com — to successfully develop and implement motorsports campaigns.
